Schedule

8:00a – 9:00a	Player Check-in
9:15a – 11:30a	Round 1
11:30a – 1:00p	Lunch
1:00p – 3:00p	Round 2
3:15p --	Awards

The above schedule is subject to change based on a multitude of factors, including, but not limited to, weather, round duration, and extenuating circumstances. We will do everything within our ability to adhere to the schedule above, but often, things can and do arise that may complicate that.

Player Check-In

Tournament central will be located at the following shelter --

You need to come by during check-in to receive your player’s pack and any add-ons you may have purchased.

Rules of Play

For this event, the following rules will be in effect:

1. The following discs are the only discs legal for this event --
 - MVP Plasma Soft Glitch (2024 GWCQ Stamp)
 - Axiom Plasma Soft Pitch (2024 GWCQ Stamp)
 - Streamline Plasma Soft Parachute (2024 GWCQ Stamp)
2. GWCQ discs from another GWCQ event are acceptable, so long as they are the same as the 3 discs listed in rule #1.
3. This event is unsanctioned, however, we will be honoring standard rules of play, such as;
 - Tee order (available in UDisc) should be honored, but can be amended temporarily if a player chooses to pass their turn for a valid reason (brief rest, getting water, etc..etc...).
 - Relief is 3 meters. It should be used when disc comes to rest against an OB area, or in casual relief scenarios.
 - A disc must be completely surrounded by water to be considered OB.
 - Creek and beyond is OB, unless noted as casual.
 - If your disc comes to rest against a fence on the in-bounds side, you may take a meter relief so long as that meter is not closer to the basket.
 - Rules 1 and 2 go together. You can be in the creek but resting against the embankment on the fairway side. That is considered in-bounds. Resting against the other side is OB. In the middle of the creek is OB.
 - The non-fairway side of a fenced hole is considered OB.
 - Gravel forming the train tracks is considered OB. Gravel should be treated just like water. If you are touching non-graveled fairway, you are considered in-bounds and should take relief.
 - If a mandatory is missed, play from the hole's drop zone, or just before the mandatory if no DZ exists. The throw where you missed the mandatory counts as 2 throws total (stroke + penalty).
