

The Hawk's Nest Course Rules

The course is available for play during non-school days/hours. This is typically Saturdays and Sundays from 8:00am to 5:00pm. To keep students and staff on the school campus safe, these hours are strictly enforced.

All out of bounds rules are dictated by the fencing and pond that runs through the middle of the property. Water that has naturally ponded in the fairways after rain is played as casual. Here are specific rules for each hole:

Hole 1: Fence and beyond is OB. Surrounded by water is OB. Players must throw to the right of the mandatory arrow that protects hole 9.

Hole 2: Fence and beyond is OB. There is an OB drop zone on the right side designated by two red pave stones.

Hole 3: Surrounded by water is OB. Should the left side fence come into play, it is also OB.

Hole 4: Fence and beyond is OB. Surrounded by water is OB. Follow the fence line up and to the right to find the rubber pad for hole 5.

Hole 5: The football and track field inside the fence is played as a hazard. Play from your lie and add a stroke. Fence behind the basket is OB.

Hole 6: Fence and beyond is OB.

Hole 7: Fence and beyond is OB.

Hole 8: Fence and beyond is OB. Surrounded by water is OB.

Hole 9: Fence and beyond is OB. Surrounded by water is OB. Players must throw to the right of the mandatory arrow that protects hole 8.
