# Scoring

- The event will be using the UDisc app for scoring.
- All players will need to “check in” before their round. To check in, go to the events tab and navigate to the “Warman Community Disc Golf Open” event and tap check-in.
- One person on each card should tap “Create Scorecard” to start keeping score. We recommend that a second player also keep score either with a separate UDisc scorecard (Note that only one player can keep score using the event scoring), or a paper scorecard.
- Live scoring for all players can be viewed from the event tab on UDisc by tapping “View Leaderboard”
- Ties for first place in any division will be settled by a playoff. All players tied for first place will play holes 1, 7, 8 & 9 in that order, in a loop until a winner is decided. Playoffs will only be played for first place in each division.

# General Rules

1. All roads, sidewalks, paved paths and back yards are out of bounds.
2. Remember that the yards surrounding the course are **PRIVATE PROPERTY. DO NOT** enter private property to retrieve errant discs. Once the round is complete you can go around to the front of the residence, knock on the door and politely ask for your disc back.
3. No alcohol or drugs are allowed on the course or in the park, even if your cardmates say it is ok.
4. If the proper course of action is ever in question, throw a provisional. Play out both lies and discuss what happened with the TD who will make a final ruling.
5. If a disc lands on the wrong fairway, the group on the higher number hole has the right of way.
6. All other park users have the right of way. Do not throw until the way is clear.

# Side Action

## Closest to the Pin Competition

Each division has been assigned a hole for the CTP competition. The CTP is in play on both the front 9 AND the back 9 of the assigned hole during both rounds. Prizes for whoever has the CTP after round 2.

MA2 - Hole 6/15

MA3 - Hole 5/14

FA3 - Hole 4/13

MJ15 - Hole 2/11
