

## Fresno CVS Rules Sheet

- 2 meter rule is in effect
- Fence lines around the disc golf course are ob lines. If you go over, under, or around a fence and end up behind it you are ob ☺ and you play from the last place you were in bounds.

**Hole 2** You will be teeing off from the mound. Follow the arrows from basket 1.

**Hole 3** This is an island hole. OB starts at the knoll. If you throw short of the knoll you are safe. If you are OB on your drive go to the drop zone

**Hole 4.** There is a painted OB line deep to protect Hole 4b's fairway. Play from last in bounds if OB.

**Hole 4B** The same painted line from hole 4 is a OB line for 4B. Play from where last inbounds.

**Hole 5** The Basin is OB. There will be a painted line to show OB.

**Hole 6** The Basin is safe for hole 6. There is OB to the right of the fairway to protect hole 7's fairway. Once again look for the painted line.

**Hole 7.** This hole is a peninsula. Note the painted OB lines.

**Hole 7B.** Follow the arrows to 7B's teepad. Bike park is fenced and therefore on that side of the fence is ob. If you go OB on your drive proceed to the drop zone at 8's normal teepad.

**Hole 8** is a temporary pad on the left side of the normal fairway. There is a Mando on the left side of the fairway to protect 9's teepad. If you miss the mando go to the drop zone.

**Hole 11.** There is a Mando to stay to the left of the marked tree. If you miss the mando go to the drop zone

**Hole 13.** Follow the arrows to the alternate teepad with a rose painted on it. Par 4

**Hole 15** This hole has a single and then a double mando. If you miss either mando go to the drop zone for the mando that you missed.

**Hole 16** is an island hole from the short alternate teepad. If you do not make the island on your drive go to the drop zone. If any subsequent throws go OB play from where last in bounds.

**Hole 18.** Trash area is ob. If you are OB go to the drop zone.
